## Beauty: A Fresh Cut

By Ashley Primis

Popular [Salon Vanity](#) is moving on up — literally. You'll now find owner Edmondo and his talented stylists in a spacious third-floor spot on Walnut Street. Updates include a bright and sleek design from Peter Millard, and a custom L'Oréal INOA color bar (INOA is a new, highly regarded line of ammonia-free color from the esteemed French brand) that's the first in the country.

*1701 Walnut Street, 215-925-2211.*
